Public Lecture Here Tuesday By Swiss Electrical Engineer

"The Demand of Spiritual Discovery" is the title of a public lecture to be given in Torrance on Thursday, by Otto Bertschi, C.S.B., a Christian Science practitioner and teacher from Zurich, Switzerland. The lecture is being sponsored by 1st Church of Christ, Scientist and will begin at 8 p.m. in the church edifice, 218th and Manuel Ave. Bertschi's family was among the pioneers of the Christian Science movement in Zurich. He is a graduate of the Wintertur Institute of Technology in Zurich, and lived and worked for four years in the nature of spiritual discovery is open to the public. Admission is free.

Visitors

(Continued from Page 1) Mayor Albert Isen is expected to head the delegation of city officials. The Turkish officials will be guests at a round of dinners and special events during their stay in Torrance and will visit several Torrance schools and industrial plants. A trip to Las Vegas and to several Southland tourist spots also is scheduled.

... Safety

(Continued from Page A-1) driving. "Records indicate that the best drivers are also the most economical drivers and that speed has no place in safe, economical driving," Lee Barger, manager of the Auto Club's Torrance office, said.

EACH ENTRANT will be judged on two counts: observation of all safety and traffic rules and the amount of gasoline used to negotiate the course. Adult observers will ride in each car to assess penalties for safety infractions.

To give all automobiles and drivers an equal opportunity regardless of size and weight, standard American cars will be judged on the basis of a ton-mile formula. Foreign cars entered will compete on the basis of actual miles per gallon.

Each car which is entered in the run has been safety checked by auto shop instructors to see that brakes, mufflers, lights, and other equipment meets the standards prescribed by the state Vehicle Code. In addition, each car must be equipped with seat belts—many of which have been furnished at no cost by Parnelli Jones' Firestone Store.

CARS WILL begin reporting to the starting area, a Mobil service station at Hawthorne and Torrance boulevards, at 7 a.m. to get gasoline and be pushed to the starting line. The first car will leave at 8 a.m. on the 100-mile route.

First stop will be the weight scale on the San Diego Freeway, where Officer Ted Bradley of the California Highway Patrol will weigh each vehicle. Winners will be computed on a ton-mile-per-gallon average.

At the halfway point in Topanga Canyon, refreshments will be served by the

Torrance Safety Council and the Walteria Business Women's Club. Following a 15-minute break, the drivers will start back to the Mobil station, where they will again fill up with gasoline and compute the mileage.

DRIVERS WILL be joined by officials of the Torrance Safety Council, the Mobil Oil Co., the Automobile Club of Southern California, and the Torrance Elks Lodge at an awards luncheon at the Elks Lodge. Individual winners will be announced and a sweepstakes award will be presented to the school with the best team score.

Members of the Elks Lodge will serve as observers for the run, noting each safety or highway rule infraction. Violations will count against a driver in determining the final mileage.

Ozzie Grimes, Exalted Grand Ruler of Elks Lodge 1948, will serve as honorary starter for the run and Dr. J. H. Hull, superintendent of the Torrance schools, will serve as timer.

... Council

(Continued from Page A1) H. Blahnik, Ralph G. Collins, Bobbie G. Franklin, Donald G. Loy, Jay V. Neilsen, Edgar F. Polston, Glenn A. Price, Billy Stonecker, and Joseph D. Warren of the Fire Department.

Employees who received retirement pins included Police Officer Leo P. Gonzales, Steve Kaschak of the Street Department, Ralph E. Moreland of the Parks Department, Gordon Northington of the Fire Department, and Patricia Sargent of the Planning Department.

Seaman Rct. Jame M. Clear, USN, son of Mr. and Mrs. Leo T. Clear of 1973 W. 234th St., has been graduated from nine weeks of Navy basic training at the Naval Training Center at San Diego.

Brown to Visit Area Tomorrow
